

Promote Your Team: *Make a Banner!*

One of the themed laps this year is a banner lap. We are encouraging teams to create a banner that represents your team. Here is where your creativity comes in! The banner can be made out of anything: a sheet, a shower curtain, or even tag board. Put your team name on it and decorate it however you would like. We would like to take pictures of your team with your banner at the Relay For Life. Have fun decorating!
