

Themed Basket Auction!

This year, for something new and exciting, we are planning to have a Themed Basket Auction. We are asking that each team to put together a themed basket to be sold at the auction. Your team's basket could reflect your team name or even your sponsor. Be sure to ask your sponsor to donate items. What great advertising! Please feel free to bring multiple baskets. Your team will be credited for whatever amount the basket sells for. We will be having an auctioneer conduct the sale beginning at 7:00 pm. Make sure to invite your friends and family to come and bid on the baskets! You do not want to miss out on this event!
