

Our Stories

As an Ambassador for Celebration on the Hill in September of 2006, I would like to share personal stories of how cancer has affected us and our loved ones. I will compile these pages into a scrapbook to show to our government officials in Washington D.C. If you would like to be a part of this special project, please complete the following:

- 1) Design a **2 page** layout on **12" x 12"** scrapbook paper.
- 2) The pages will lie side by side and should include **pictures** and a **written (or typed) story** about a cancer survivor, a person that has been impacted by cancer or someone who lost their battle with cancer.
- 3) Feel free to use any colored paper, stamp designs, stickers, etc. to **capture the life of the person you are honoring**. Please include:
 - A) the **name** of the person
 - B) the **type of cancer** they have/had and
 - C) a **statement about what our government can do** to help us win the war against cancer.
- 4) Get your **completed pages** to me by **July 15, 2006** at the following address. **The scrapbook will also be displayed at our Relay!**

THANK YOU FOR SHARING YOUR STORIES!
